make the tile more binding, and three we ke laiser she created a sensation in Paris by denouncing her tilled husband as a pennices adventurer, who represented himself as the proprietor of a casile in italy, which turned out to be a Casile in italy, which turned out to be a Casile in the Air.

The Countess returned to her father's home and resumed her maiden name. W. W. Knox, the founder of Knoxville, near Pittsburg, died shortly afterwards and left a snug fortune to his wife and daugnters.

Mira. Knox and Virginia then went traveling, and on their travels met Mme. Berg. They became intimate friends, and an agreement has been made that they were to live together in a flat furing Mme. Berg's stay here. Subsequent happenings disturbed greatly lime. Berg's beace of mind, and caused a change in this plan. She was of happy disposition, in vigorous health, but delicately sensition, in vigorous health, but delicately sensitive, and miss Knox's behaviour caused her are perfet, which is shown by letters found in her room, it is thought that she was so keen is affected that she took the dealty drug to make this process. "The authority for this story cannot be given for obvious reasons. It will be dealed probably, I obtained half-hearted decisias of it from leading Republicans, but I am none the less convinced of its absolute reliability.

"It is a fact, and a sobering one for the Republicans. They are unhappy over it, and have been conferring and whispering about it in anxious knots. If the Republican leaders have their way, and no break comes in the Republican ranks in the House, then the deadlook is to be perpetuated, alorgan G. Buikley is to continue his double role of dictator and Governor, and confusion worse confounded is to result through all the machinery of the State Government down to and including the charities and the courts."
